

AUTISM PARTNERSHIP PHILIPPINES

ABA Specialized Treatment Fee 2019

One-on-one Intensive ABA Therapy

Teaching is individually tailored to each child and in the beginning stages rely heavily on one-on-one therapy. The focus includes communication, cognitive, play, social, self-help and other functional skills. The number of direct intervention hours provided to a child may range from 15 to as many as 30-40 hours or more per week. Treatment duration typically lasts more than 2 years.

Monthly Plan	Fee	Hourly Plans	Fee
Monday - Friday (9:00am - 3:30pm)	Php 220,000 / Month	Therapist	Php 3,500 / hour
		Program Coordinator	Php 8,500 / hour
		Behavioral Consultant	Php 35,000 / hour

Jumpstart program

The Jumpstart program is a 5-day (extendable) intensive Progressive Applied Behavior Analysis (ABA) therapy conducted by our best therapist and a behavioral consultant. This is a powerful opportunity for families to make rapid progress with their child in a short time frame. We will be able to identify critical learning areas, examine trouble areas and provide intensive focus to address these issues.

Time: Monday - Friday (9:00am - 11:45am & 1:00pm - 3:30pm)
 (Parent Review Meeting: 3:30pm - 4:00pm)

US\$12,800 Per 5 days (at our Manila office)

Premium Home-based ABA Therapy

Premium home-based ABA Therapy is a tailor-made program with specialized approach of educating and training a child at home through one-on-one therapy. It is a very dynamic teaching and learning process that integrate generalization of programs focusing on communication, cognitive, play social, self-help and other functional skills. Implementation of home programs are also feasible and manageable with the guidance of our experienced senior therapist. The program include:

- One therapist to one child
- Home-based ABA Therapy
- Tailor-made curriculum according to the assessed need of the child
- 3 hours of center-based clinic, once every 2 months
- Home supervision (2 days) per month by the Program Coordinator
- Parent progress meeting with Behavioral Consultant

Time: Monday - Friday (9:00am - 11:45am & 1:00pm - 3:30pm)

Php 936,000 on the first month (with 4 days home supervision)

Php 808,000 Per Month (with 2 days of home supervision)

Overseas Senior Therapist Program

With the presence of several Autism Partnership offices, this is a specialized program conducted by an overseas senior therapist with many years of experience in dealing with a child with autism. The considerable and comprehensive expertise promotes efficient learning opportunity and progress.

Location	Time (Mon- Fri)	Fee (per month)
Any place (center, home, school, community)	9:00am - 12:00noon & 1:00pm - 4:00pm	US\$ 24,300

Overseas Consultation

With more than 20 years of international experience, Autism Partnership has been providing high quality intensive ABA services to families. AP has designed a comprehensive consultancy service that enables families to receive services where they live.

A. Local Staff

Parents may choose to hire a staff of their own and AP can assist with the hiring, selection and on-going training of the staff as well as conduct regular visits for staff training, curricular development and assessment.

Case Management	Fee
Behavioral Consultant	US\$2,950 / Day(6hrs)
Director	US\$4,200 / Day(6hrs)

B. Autism Partnership Therapist

Families under the One-on-one Intensive ABA Therapy, Overseas Senior Therapist Program and Premium Home-based ABA Therapy services may choose to have regular consultation provided by our behavioral consultants.

Plans	Fee
Consultation (Overseas)	US\$2,950 / Day(6hrs)

*Additional costs, including but not limited to hotel, airfare and travelling insurance of the AP staff, will be borne by the parents.

*No therapy session is provided on local public holidays.

*For any non-monthly-based plan, transportation time of the staff (approx 1- 2 days) will be charged additionally based on the above daily fee.

Train The Trainer Program (TTT)

The Train the Trainer Program is designed for families who cannot take the One-on-one Intensive ABA Therapy, but wish to engage in Autism Partnership's consultation services wherein AP provides training to family's own clinical staff and set up the program. The TTT program focuses on developing the staff skills to be able to conduct a program designed by AP Behavioral Consultants. AP can provide 1 or 2 weeks of ABA training for the family's staff at our AP Manila center or at the family's preferred location.

- Staff training and support
- More hands-on demonstration
- Extra support in the form of emails, phone calls, online conference and video review

Time: Monday - Friday (9:00am - 12:00noon & 1:00pm - 4:00pm)

USD 12,800 Per 5 days

*Additional costs, including but not limited to hotel, airfare and travelling insurance of the AP staff, will be borne by the parents.

*All programs are available in English and Kilipino, unless otherwise stated.

*All prices are subjected to change without prior notice.
