

AUTISM PARTNERSHIP PHILIPPINES

ABA Specialized Treatment Fee 2024

One-on-one Intensive ABA Therapy

Teaching is individually tailored to each child and beginning stages rely heavily on one-on-one therapy. The focus includes communication, cognitive, play, social, self-help and other functional skills. The number of direct intervention hours provided to a child may range from 15 to as many as 30-40 hours or more per week.

Monthly Package	Time (Mon-Fri)	Fee (per month)
Whole day Session	8:30am - 2:30pm	PHP 254,000
