ABA Specialized Treatment Fee

One-on-one Intensive ABA Therapy

Teaching is individually tailored to each child and beginning stages rely heavily on one-on-one therapy. The focus includes communication, cognitive play, social, self-help, and other functional skills. The number of direct intervention hours provided to a child may range from 15 to as many as 30-40 hours a week.

First Clinical Meeting: PHP 50,000

3 hour assesment that serves as baseline in creating the individualized program of the child. The fee includes 2-hour parent training that will be scheduled with the clinical team.

Monthly Package	Time (Mon-Fri)	Fee (per month)
Whole Day Session	8:30 AM - 3:00 PM	PHP 264,000
Morning Session	8:30 AM - 11:30 AM	PHP 178,000
Afternoon Session	1:00 PM - 4:00 PM	PHP 178,000

Sessions Include:

- 1:1 Therapy (60-120 hours)
- Program Reviews (6-12 hours)
- Monthly Clinical Meeting

Hourly Services	Fee (per hour)
Therapist	PHP 3,500
Senior Therapist	PHP 5,800
Behavioral Consultant	PHP 8,500
International Consultant	PHP 30,000
Parent Training	PHP 8,500

Jumpstart Program

The Jumpstart Program is a 5-day (extendable) intensive Progressive Applied Behavior Anaylysis (ABA) therapy conducted by our best therapist and behavior consultant. This is a powerful opportunity for families to make rapid progress with their child in a short time frame. We will be able to identify critical learning areas, examine trouble areas and provide intensive focus to address their issues.

Time: Monday-Friday (9:00 AM-3:30 PM)
Fee: 13,000 USD per 5 days (at our Manila office)

25/F Cyber One Bldg., Eastwood Ave., Quezon City
Mobile No. 09989974171; 09176552552

Premium Home-based ABA Therapy

Time: Monday-Friday (6 hours a day)
Fee: PHP 695,000 (per month)

We are proud to offer our intensive and progressive Applied Behavior Analysis (ABA) treatment in the convenience and comfort of your home. It is a tailor-made program with a specialized approach of educating and training a child at home through one-on-one therapy. It is a very dynamic teaching and learning process that integrates generalization of programs focusing on communication, cognitive play, social, self-help, and other functional skills. Implementation of home programs are also feasible and manageable with guidance of our experienced senior therapists.

Sessions are conducted 6 hours a day, with a minimum period of 3 months.

What does the program include?

One therapist to one child

Home-based ABA Therapy

Tailor-made curriculum according to the assessed needs of the child

Supervision for 2 days at the center

*Exclusive of airfare and accommodation

Overseas Consultation

Autism Partnership has experienced consultants from our overseas offices who can provide case management and share their expertise to parents seeking clinical support and supervision. Senior and experienced consultants may be requested for comprehensive consultancy services.

Autism Partnership Therapist

Families under the one-on-one Intensive ABA Therapy and Overseas Therapist Program services may choose to have regular consultation provided by our behavioral consultants.

Plans

Consultation: PHP 180,000/day (6hrs) (minimum of 2 days)
